Emirates Gastroenterology & Hepatology Conference

2-4 April 2015, Dubai World Trade Centre | UAE

Welcome Message

Dear Colleagues,

Building on the celebrated success of 2014 Emirates Gastroenterology and Hepatology Conference, we are delighted to announce our next conference, which will take place between 2-4 April, 2015 at the Dubai World Trade Centre (DWTC), United Arab Emirates.

We expect this year's conference to build upon the previous edition's initiative in bringing together a large number of practicing Gastroenterologists within the Middle East Region and beyond.

The three day event will focus on updates on treating and preventing Gastroenterological diseases include sessions on Acid related and functional disorders, IBD and other enteric diseases and Liver Problems among others. Following to the great success, once again our key feature of the conference this year will be Live Endoscopy Workshop. The conference will also comprise of a Hands-on Training session due to high demand. In addition, the program will also include Keynote speeches, Video Presentations as well as oral and poster presentations and panel discussions.

We look forward to an exciting meeting that promises great scientific debate and enjoyable social interaction. We look forward to your valued participation at EGHC2015 and very much hope you enjoy your visit to the city of Dubai in April 2015.

Sincerely,

Dr. Maryam Al Khatri

President, Emirates Gastroenterology and Hepatology Society
